Name of the Activity	Awareness on Investment in Stock Trading (online mode)	
Type of Activity	Entrepreneurship and Self Employment Skills	
Date and Time of Activity	17/07/2020	11:00AM-12:30PM
Details of Participants	Students from 1 st year MBA and MCA	
Organizing Dept /Support System	Organised by EDP Cell in collaboration with Fintopedia.	
Details of Resource Persons	<p>V. Niranjan Rao (Data Analyst) is a distinguished expert in stock trading and investment strategies, with a strong focus on building awareness and confidence in the stock market. With years of experience and a proven track record of guiding individuals toward financial independence, he combines technical knowledge with practical, real-world insights to make stock trading accessible to people at all levels of experience.</p> <p>His approach simplifies complex financial concepts, empowering individuals to make informed decisions while navigating market fluctuations. V. Niranjan Rao emphasizes risk management, market analysis, and disciplined investing, helping participants develop the skills needed to succeed in the stock market. Whether individuals are looking to start investing or refine their existing strategies, his mentorship equips them with the tools and confidence needed to pursue long-term financial growth.</p>	
Description	<p>In order to Bring the Awareness among post graduates students for thriving opportunities according to market changing environment. Aurora's post graduate college (MBA) held an Awareness Program on Investment in Stock Trading by a prominent stock analyst through Google meetings.</p> <p>Employment in this field offers a structured environment with potential for high earnings, performance-based bonuses, and career advancement. Professional traders often work for investment banks, hedge funds, brokerage firms, or asset management companies, contributing to the financial health and growth of these organizations.</p> <p>Stock trading allows individuals to operate independently, managing their own investments and strategies. Entrepreneurial traders have the flexibility to set their own schedules, pursue innovative trading strategies, and potentially achieve substantial financial gains. This path requires significant self-discipline, continuous learning, and risk management skills. Successful entrepreneurial traders can scale their operations, offering advisory services, launching hedge funds, or developing trading algorithms, thereby creating additional revenue streams.</p> <p>Stock trading can serve both as a form of employment and a pathway to entrepreneurship, offering diverse opportunities for financial growth and professional development.</p> <p>Both employment and entrepreneurial avenues in stock trading offer unique challenges and rewards. Whether as a structured career or an independent venture, stock trading provides opportunities for financial independence, professional growth, and continuous learning in the dynamic world of finance.</p> <div style="text-align: right;">  DIRECTOR </div>
